

Broccoli-Cauliflower Salad

In a large salad bowl, toss the following:

- 5 cups broccoli florets
- 5 cups cauliflowerets
- 2 cups (8 oz.) shredded cheddar cheese
- 2/3 cup chopped onion
- ½ cup raisins

Mix the Dressing ingredients in a small bowl (1 cup mayonnaise, ½ cup sugar, 2 Tablespoons cider or red vinegar), then pour over the salad, tossing to coat.

Cover and refrigerate for one hour.

Just before serving, sprinkle 6 bacon strips, cooked and crumbled, and ¼ cup sunflower seeds.

For yummy variety, substitute dried cranberries for the raisins and pecans for the sunflower seeds.
