

Egg Burrito

- 2 eggs
- 1 flour tortilla
- ¼ cup cheddar & monterrey jack cheese, shredded
- Salsa of choice

Beat the two eggs.

Put the tortilla in a skillet over medium heat to begin warming. When the tortilla is barely warm, spread the shredded cheese on top. Allow the cheese to melt and the underside of the tortilla to begin browning slightly.

In a small skillet, scramble the eggs. Spoon them onto the tortilla. Top with salsa (as much as you like!). Fold the sides over and chow down!
