

Mama Trudy's Party Pretzels (or "Bomb" Pretzels)

- 2 lbs. pretzels
- ¾ cup oil
- 3 packages ranch powder mix
- 3 teaspoons lemon pepper
- 1 Tablespoon cayenne pepper

Put the pretzels in a brown paper bag. Place the paper bag in a plastic bag because the paper bag will get very oily.

Mix the remaining ingredients together and mix well. Pour over pretzels and shake the bag.

Shake every 30 minutes for about 3 hours. This keeps the ingredients from staying in one place.

Store in an airtight container.
